Web Site Design
**NOW OFFERING A
STARTER BUSINESS
WEB SITE FOR ONLY
\$300.00***

Let us create a business website for your company that includes an splash page that leads to your opening page which includes a brief description of your business and services, a contact page complete with a form to submit with questions or comments about your products, and three more pages specific to your business. Want an email list for a newsletter? We'll throw that set-up in too. This offer includes pictures, your logo and a theme that is consistent throughout - designed specifically for your business. Graphic headers will be created for your pages and sections, and special effects can be added to your navigation bar or other areas of your site.

In addition, you can order a shopping cart set-up that will allow your company to accept credit cards and online checks on your site without having to establish an online merchant account.

*includes complete set-up of web pages and graphics; does not include domain name or web site hosting which may be purchased separately (1yr registration and 1 yr hosting (50mb limit) for \$145 - all domains registered in customer's name.) This offer is good thru December 31, 2002 in the United States & Canada only.
